

**Study Abroad  
Excellence**

**STUDY ABROAD**  
***Simplified!***

WIKATI helped me a great deal, especially in selecting the university, applying and most importantly, with the VISA process. They were always easily contactable and ready to help. Their knowledge of UKVI regulations is beyond par. They were very supportive during the entire process.

**RAY CYRUS GOMES**

M.Sc International Business Management

**Oxford Brookes University**

I would like to express my heartfelt gratitude to WIKATI for their support, valuable advice and continuous guidance throughout the entire Admission and Enrolment process. Their assistance played a crucial role in helping me secure a seat and I am truly thankful for the dedication.

**A**t WIKATI, we believe that global education should be more than just a goal — it should be an empowering, personal journey.

We've built a trusted network of leading international universities and designed a system that simplifies the study abroad process for Indian students. From your first counselling session to your first day in a new country, WIKATI offers unwavering support, expert guidance, and strategic planning.

We don't just connect students to institutions — we create pathways to success. With a proven track record of student satisfaction and visa success, WIKATI stands as a partner you can count on.
